

Jowdy Diamanté air plane multi-million dollar thefts

Diamanté Air –

Jowdy made an initial investment pitch to Kenner in 2004 to buy a Falcon 10 Jet (*the one sought in the government's forfeiture*) – which was also fraudulently taken by Constantine and Gonchar in 2010 from Kenner, Gaudet, the GSF contributors and the other original Diamante Air investors via fraudulent title transfers and non-performance of LLC documents (*immediately following the GSF*).

Kenner and three other investors gave Jowdy \$875,000 in April 2004 for the initial purchase and registration.

Instead – Kenner later discovered that Jowdy the ***stole \$875,000*** (*deposited in April 2004*) from Kenner's airplane investors (*Diamanté Air*) instead of buying the Falcon 10 when offered to Kenner and his clients by Jowdy --

...And then Jowdy defrauded Kenner and Gonchar in November 2005 for \$1.1mm by FABRICATING a FAKE operating agreement for Diamante Air (***after Kenner sent the bank the original that required Kenner's signature*** -

See R33 049b -- DAir FRAUD Jowdy OpAg signed after loan docs

Jowdy Diamanté air plane multi-million dollar thefts

- ❖ Kenner, Gonchar, Sydor, Stumpel and Norstrom all believed that the Falcon 10, which Jowdy was flying non-stop from 2004 thru 2006 on alleged Diamanté business, was owned by the group since April 2004 – per Jowdy.
- ❖ Jowdy did not purchase the Falcon 10 until the 2005 loan – ***which Jowdy masked to Kenner and the group as a \$750,000 engine and landing gear overhaul – thus the need for the 2005 loan (over a year after the alleged purchase).***

The loan default litigation was caused by Jowdy and his NY attorney Harvey's refusal to turn over the title to the Falcon 10 before the loan defaulted in 2008 (*to punish Kenner and Gonchar for their adverse position to Jowdy*) – despite Kenner's \$50,000 plus in 2008 loan payments to avoid the repossession for the investors in 2008 – *payments in EDNY evidence from Kenner personal bank records.*

During the litigation between First Source Bank (*Rick Rozenboom – from the EDNY trial*) and the Kenner/Gonchar guarantee (*without Jowdy – also learned for the first time*) – the airplane investors learned that Jowdy had stolen the original \$750,000 in 2004 (***see R33 049a***) plus another \$400,000 from Stumpel and Kenner in 2005 – in addition to the ***\$430,000 extra cash*** in November 2005 and February 2006 which Jowdy stole from the First Source Bank loan thru his fraudulent Managing Member status capacity.

See R33 049b -- DAir FRAUD Jowdy OpAg signed after loan docs

...in order to facilitate Jowdy signing the Airplane loan documents

See R33 049c -- DAir fraud loan documents

...and ***stealing another \$430,000*** cash from the loan (***also unknown to Kenner and Gonchar & in EDNY evidence***) – (*below*)

Even after the \$430,000 unknown additional theft (\$290k in November 2005 and \$140k in February 2006 -- *as loan advances*) from the First Source Bank airplane loan by Jowdy – days later Jowdy sent Kenner a repair bill to try and extract more funds from Kenner, which Kenner responded (*in EDNY discovery PK_SEC_019040*) on February 23, 2006 (***also 2 days after the \$3mm KSI loan funded***) --

"\$60k to get the Falcon in the air?"

~\$60k to get the Falcon in the air?? Let me know pk

Jowdy added \$290,000 to the First Source Bank loan (*below*) – unknown to Kenner and or Gonchar – at the November 2005 fraudulent closing and then diverted the funds with the help of Jowdy's best friend and co-Diamante Air signor, Mark Thalmann.

In Jowdy's January 2010 deposition -- Jowdy first states that he does not know who signed for the Diamante Air loans --

1	A. I DON'T KNOW.	

See R33 049c -- DAir fraud loan docs.pdf

Please note that Jowdy signed a FRAUDULENT Diamante Air operating agreement two (2) days after he signed for the loan -- *when the bank realized that Jowdy was not on the Diamante Air operating agreement forwarded to the bank one month earlier by Kenner --*

- Not only did Jowdy create a FAKE and FRAUDULENT Diamante Air operating agreement -- but also Jowdy added a second airplane on the loan and guarantee -- ***unknown to Kenner and Gonchar until First Source Bank sued them...*** FURTHER burying the loan to the financial detriment of Gonchar and Kenner and defrauding all of the Diamanté Air investors.

As Jowdy's last straw of defiance with the airplanes --

In Jowdy's 2009 AZ case defense while trying to push for a NY based arbitration -- Jowdy confirms the purpose for the investments in the Diamante Air Falcon 10 plane (*since the 2nd plane was fraudulently added to the First Source Bank loan by Jowdy -- unknown to Kenner &/or Gonchar*) -- as follows --

Jowdy Diamanté air plane multi-million dollar thefts

8 **Aircraft Operations Related to the Mexico Projects**
9 15. In late 2005, Kenner and I (along with some other individuals) decided to
10 set up a company called Diamante Air, LLC ("Diamante Air"). The primary ownership of
11 Diamante Air was shared by me (30% ownership) and a company wholly owned by
12 Kenner called GuideDog, LLC (30% ownership). The purpose of Diamante Air was to
13 purchase, lease, charter and/or operate aircraft that would be used to fly potential
14 investors, purchasers and others down to Mexico to tour the Cabo San Lucas Project and
15 the El Rosario Project. For that reason, the operations of Diamante Air were directly
16 related to the development of the Mexico Projects.

BUT -- Jowdy states in the January 2010 deposition, that while the planes were supposed to be used for the México project's marketing (*100% under his and Thalmann's management control - above*) -- Jowdy **NEVER** used the planes for the project -- BUT for his own purposes before he let them go into DEFAULT in 2008 (***at the suggestion of Tom Harvey***) --

9 NOW, WAS THERE EVER A CLAIM FROM --
10 DO YOU KNOW IF THERE'S A DISPUTE OVER SOME OF
11 THESE AIRPLANES THAT DIAMANTE AIR OWNED AND THEN
12 LOST, IF THERE'S ANY CLAIM FOR DAMAGES AS A RESULT
13 OF THOSE?
14 A. I DONT KNOW.
15 Q. DO YOU -- WHAT TRIPS DID YOU TAKE
16 THAT YOU'RE AWARE OF WITH THE INTENTION OF
17 ACQUIRING ADDITIONAL LAND OR PROJECTS FROM 2003 TO
18 2007 THAT WEREN'T RELATED TO THE CABO PROJECTS?
19 A. ALL TRIPS.
